

Technical Author

Location: Letchworth, Hertfordshire
Salary: Attractive packages
Hours: 37 hours per week, with possible overtime
Contract: Permanent

DCS Sonovision UK provides a full range of Technical Publications to multi-national companies world-wide. We develop printed, electronic and online documentation, working to industry specific standards such as S1000D, ATA, JSP and DITA, for the; Commercial, Defence, Energy, Aerospace and Rail sectors.

The role:

The role will be producing documentation for various world-class manufacturers within the commercial, defence, aerospace, energy and rail industries.

To be considered for this opportunity:

You will need to be a dynamic individual that can demonstrate the ability to develop strong business relationships.

- Minimum of 3 years' relevant experience within the industry (Aerospace, Defence, Rail, Energy, Nuclear)
- Experience with Defence and Aerospace related specifications
- Good understanding of engineering data in a variety of formats from engineering drawings to design reports
- Ability to communicate technical information in a clear and concise manner
- Adequate competency using different software packages for planning/reporting purposes
- A pro-active thinker that can provide potential solutions
- Ability to track production of tasks from conception to completion
- Drive and enthusiasm to achieve customer quality criteria
- Ability to work to deadlines and adhere to schedules
- Ability work with a minimum of supervision
- Valid Driving License
- Current SC Clearance an advantage

Please note, candidates must successfully undergo UK Security Vetting before they can be appointed. The level of security needed is Security Check (SC).

Screening:

Are you a commercially aware Technical writer/Author

Have you 3 years' relevant experience within the industry?

Have you experience working with defence and aerospace related specifications?

Have you an understanding of engineering data in a variety of formats, Drawings and Design Reports?

Are you eligible to live and work in the UK, with a valid Passport?
